# The Next Steps...

04

## 1. Create Your Account

This is the only step we need you to do. We handle everything else :)

## 2. Acquire Products

Next, we begin preparing your products to go live on your store.

## 3. Launch Your Store

Then, your store goes live and the sales roll in.

## 4. Check Your Profit Reports

Once a month you'll receive a Profit Report for you to review your store's success.
